MODERN OUTDOOR & INDOOR FURNITURE

Stylist Line®

OVERVIEW

This represents our most comprehensive collection whilst teak and brushed stainless steel are the main theme, we are also now include pieces incorporating new durable materials such as Batyline® -woven vinyl (a light weight, tough and easy to clean material, excellent resistance to ultraviolet radiation, with stand fading, and mildew), resilient Dexter® wicker, anodized & powder coated aluminium frame that guarantee years of carefree interior or garden enjoyment.

Stylist Line® collection purposely designed for those people who love simple, clean, minimalist, unique, innovative & ergonomic designs as well as long lifetime use of fine outdoor & leisure furniture for their modern lifestyle at their garden rooms, patio, timber decking, pool or beach, conservatories, and verandas.

Every item is designed right down to the last details and set higher standards of functionality, comfort, and durability. All new models undergo rigorous testing before their introduction to ensure a long and life span use. Comfort, safety, and security are key features in every piece. Edges are rounded or beveled, joints are smoothly grounded and free splatters from argon welding, and all folding furniture has safety catches. All folding chairs are light weight and compact, folding neatly for easy storage and transportation.

Comfort, safety, and security are key features in every piece. Edges are rounded or beveled, joints are smoothly grounded and free splatters from argon welding, and all folding furniture has safety catches. All folding chairs are light weight and compact, folding neatly for easy storage and transportation.

Stylist Line® focus on price, excellent quality, innovative, futuristic & modern in design, and great attention to detail in manufacturing to gain reputation in fine outdoor & leisure furniture industry market segment.

TABLE OF FABRICS

Fabrics colors

Fashionable, functional Sunbrella® is perfect for casual furniture, umbrellas, hammocks and more. Developed from over 40 years of experience with awnings, boats and convertible automobile tops, Sunbrella® is the world's leading all-environment performance fabric. Sunbrella® brand fabric...

- feel soft and comfortable.
- retains its vibrant color and strength.
- withstands years of exposure to sunlight and rain.
- resists mildew, rot, chlorine and atmospheric chemicals.
- cleans very easily.
- comes in hundreds of beautiful colors, stripes, patterns and texture.

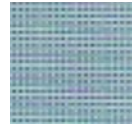

TABLE OF SLINGS

BATYLINE®
ISO 62

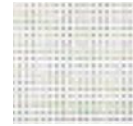

Slings colors

Ref 7407 - 5005

Ref 7407 - 5004

Ref 7407 - 5001

Looking for durable furniture, manufacturers and designers recommended Batyline's ® high quality resulting from its extreme robustness and unequalled square thread patterns.

Batilyne ® Iso that always make the difference. Batyline ® Iso 62's tight-woven textile for an even more resistant fabric.
